

CURRICULUM VITAE

Emma Kondrup

(she/her)

Ph.D. Student,
McGill University
Mila - Quebec AI Institute
University of Copenhagen

Email: emma.kondrup@mila.quebec

(a) Education

McGill University, <i>supervised by Reihaneh Rabbany & Catherine Régis</i>	Montreal, QC	Computer Science	Ph.D, 2026 – Present
McGill University	Montreal, QC	Hon. Computer Science	BS.c, 2022-2025

(b) Research & Professional Experience

February 2026 – Present	Web Developer , Centre for the Study of Democratic Citizenship, McGill University (<i>Prof. Dietlind Stolle</i>)
July 2024 – Present	Research Assistant , Centre for Advanced Studies in Bioscience Innovation Law, University of Copenhagen (<i>Prof. Timo Minssen</i>)
May – Dec. 2025	Student Researcher , Complex Data Lab, Mila (<i>Prof. Reihaneh Rabbany</i>)
Dec. 2022 – Aug. 2024	Research Assistant , Genetic Discrimination Observatory
Dec. 2022 – Aug. 2024	Research Assistant , Centre for Genomics and Policy, McGill University (<i>Prof. Yann Joly</i>)
May – June 2023	Research Intern , Software Engineering and Formal Methods Research Group, Data Institute (DIKU), University of Copenhagen (<i>Prof. Boris Dürder</i>)
Feb. 2020	Research Intern , Centre for Research in Cognition and Neurosciences, Université Libre de Bruxelles (<i>Prof. Fabienne Chétail</i>)

(c) Academic Activities

Co-organizer	Temporal Graph Reading Group	TGL	W ‘26 – Present
Reviewer	Conferences & journals	KDD, Springer Nature: ML, ACM Web Conf’, ...	Rolling
Member	Student Research Community	OBVIA	W ‘26 – Present
Member	Student Research Community	CSDC	W ‘26 – Present
Research Fellow	Building 21	McGill University	W ‘26
Certified Course	IOP Peer Review Excellence Course	IOP Publishing	W ‘25
Graduate Course Audit	AI Safety (<i>David Krueger</i>)	Mila - Quebec AI Institute	S ‘25
Member	AI & ML Research Workstream	Global Alliance for Genomics & Health	W ‘24 – F ‘26
Graduate Course Audit	Health & Life Science Law	University of Copenhagen	F ‘24

(d) Supervision & Teaching

Complex Data Lab, Mila	Intern supervision: Tong Wu	W '26 – Present
McGill AI Society	Technical Project Manager: TA for our introductory ML Bootcamp (MAIS 202)	F '24 – Present
Université de Laval	Guest Lecturer: “ <i>Enjeux éthiques, sociaux et légaux en médecine génétique de précision</i> ” (MMO-7031)	F '24

(e) Talks and Conferences

2026:

- **Invited talk**, “*Deepfake-related Risks: How we paid Attention to the Wrong Catastrophe*,” part of the *AI Safety Papers We Love* Series, at [Omega Labs](#).
- **Project Showcase**, “*Relationality and Creativity: Situating the Individual in the Context of Generative AI*,” Footage screening, with Béatrice Metwalli at Building 21, McGill University.

2025:

- **Workshop Presentations**: “*CrediBench*,” “*TGTalker*” and “*Real-TG*” at *New Perspectives in Graph ML*, NeurIPS 2025.
- **Workshop Leader**, “‘*Pessimist Archive*:’ *Questions on AI Exceptionalism*” at the Montreal AI Safety, Ethics and Governance group.
- **Presented** “*TGTalker*” with Shenyang (Andy) Huang at the Temporal Graph Reading Group
- **Poster Presentations**: “*Dr. Bias*” at the *SMASH* Symposium and at the IVADO: *Digital Futures* Student Symposium.
- **Volunteer**, IJCAI 2025.
- **Honours Thesis Presentation**, “*Instant-Curry: a Boundless Proof Auto-Grader for teaching Functional Programming Theory*,” at the Conference of McGill’s Epic Programming Language Systems.
- **Workshop Leader**, “*Python Libraries for Machine Learning*,” at the McGill AI Society’s 2025 Hackathon.

2023:

- **Speaker and Organizer of international scientific conference** : “*The song remains the same? A comparative assessment of Canadian life insurance application forms post-GNDA*” with Prof. Yann Joly at the Genetic Discrimination Observatory (GDO)’s 4th Annual Conference, December 2023.
